### **Work Experience: School Holidays, October 4<sup>th</sup> & 5<sup>th</sup>, 2011**

Two days of work experience was conducted on site at Golden West Resources Limited mine site, Wiluna West, during the October school holidays.

Ten students completed GWR inductions, Alcohol testing, and loader driver instructions and witnessed the Denarda Drilling Contractors at work drilling for Iron Ore under the supervision of GWR Director Michael Wilson and Darren Patten.

All students completed and passed GWR's Certificate of Induction, compliant with Occupational Health and Safety (OHS) regulations with excellent scores. (One pair gaining a 100% pass mark)

Long time GWR employee and former Loader Instructor Allan Woods accompanied each student in performing basic articulated loader manoeuvres and supervised a solo drive.
