Year 12 Graduate

Driver's License

VET Certification 1 in Horticulture

Overview

Brogan is from a large prominent family in Wiluna. The family owns and runs a significant cattle station north east of Wiluna called Windidda Station.

Brogan left Wiluna and attended Clontarf Aboriginal College in 2012, completing years 10, 11 and 12. During her time at school, Brogan resided at Clontarf's exclusive, Ngulla Mia Boarding Facility.

Brogan was a hardworking, solid student who was respected by her teachers and peers. Brogan was a member of the Clontarf Girls Basketball Academy and exhibited excellent leadership skills. To our surprise, our girl from Wiluna even took out the 2014 Senior Girls Swimming Award at the Clontarf Carnival. What an athlete!

During year 11 Brogan completed her Certificate 1 in Horticulture. In year 12, Brogan turned her hand to early childcare learning and palliative care.

Congratulations on your graduation and completion! We are very proud of you!
