

CLINTISHA WONGAWOL

Overview

Murlpirrmarra's association with Clintisha Wongawol began whilst she was attending Karalundi Aboriginal Education Community. We endeavoured to place Clintisha into Carmel Adventist College. Due to circumstances, Clintisha, to her credit, continued her schooling at Karalundi until its closure.

In 2016, Clintisha returned home and completed her year 12 studies at Wiluna Remote Community School.

Clintisha's transition into the workforce has been swift, with her gaining employment in reception and administration at Ngangganawili Aboriginal Health Services.

Congratulations on all your hard work Clintisha. We are very proud of you.
