LIAM JACKMAN, BUSHMOB INC.

On Monday the 13th of May 2013, Liam Jackman began his journey to the Bushmob House in Alice Springs.

Liam will be participating in an 8 week rehabilitation program through the Bushmob facility to regain his health, increase his life skills and eradicate his substance abuse.

Liam flew from Wiluna to Perth on Monday the 13th of May before being accompanied by Darren Patten (Murtpirramarra Connection) on his flight to Alice Springs on Tuesday the 14th of May.

Departing at midday from Perth airport we arrived in Alice Springs at 4.30pm where we were met by the Bushmob Operations Manager Kerri Diamond.

A tour of the Bushmob house took place before an induction and then a meeting with the house staff members and the six other boys in the program.

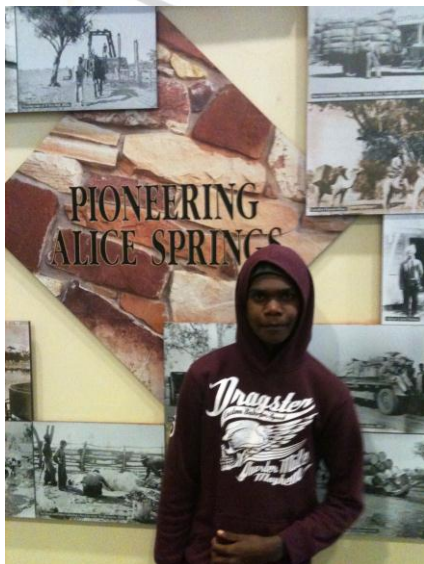

Liam has enrolled at Centralian Middle School in Alice Springs and is a main stream student in year 9, attending daily from 8am until 3pm. He will be also a participating member in the School's football academy.

Activities undertaken during Liam's stay are horse riding and stable duties, house maintenance and upkeep, regional horse treks, rock climbing, absailing and a range of music, and computer upskilling.

Liam has settled in well with the other house members who are of all a similar age and the house staff are very impressed with his behavior, manners and demeanor.

All going well Liam will be returning to Western Australia in July and resuming his schooling at Karalundi Educational Facility in 3rd Term with the view to enrolling at a metropolitan school beginning 2014.

Good Luck Liam
