Leithan is a member of the Swan Districts colts team and resided at Swans House at the beginning of 2013. He continued to compete for the club and undertook a traineeship with the Belmont Shire in the grounds department.

Leithan has moved to Port Hedland where he played football for a local team for the conclusion of the 2013 football season.

Leithan works at present at a local tyre shop in town and is looking to return to Perth early 2014 to continue with his football endeavours and employment and training.
