Braden Gilbert's

Easter Holiday, 2012 Work Experience

The above collage of photos demonstrate the activities performed by Braden during a three day geological survey during the term 1, 2012 school Easter holidays.

Braden accompanied Golden West Resources Limited Director, Mr Michael Wilson along with site staffers, Gary Green and Rory Hunter to Earraheedy for the survey.

“Braden contributed greatly during the three days, he communicated very well and was a real team player”. Quote Mr Michael Wilson

Congratulations Braden, Great Work
