

Murpurrmarra Connection Hits the Driving Range

To Make Strong
To Make Confident
To Empower

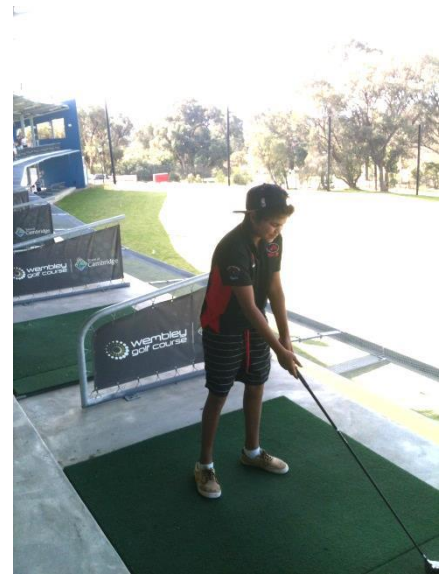

On Saturday the 25th of May, Terrance Callow, Jarred Burns, Darren Patten & Kelly Patten hit the Wembley Golf Club driving range to sharpen their golfing skills.

Jarred and Terrance insisted that they load up on the second storey of the range and some magnificent stroke play was on display.

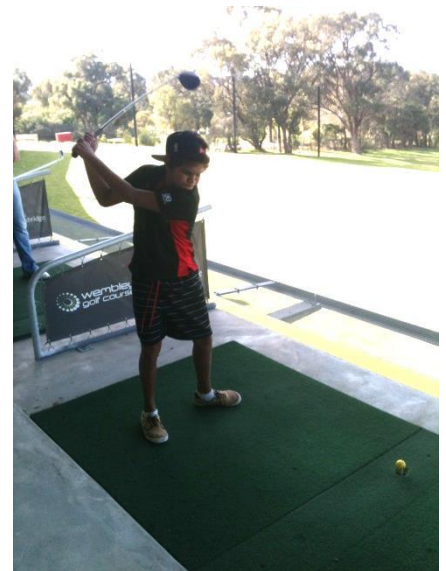

Terrance, on five occasions launched a three wood beyond the 200 metre mark and Jarred with the driver in hand was hitting a similar distance regularly.

Kelly, the caddie, was overseeing the boy's prowess.

Thanks to Rod McGrath, the Sport and Rec Manger of the Wiluna Shire for wetting the boys golfing appetite during the last school holidays at the Wiluna Golf Course.
